

How We FLOURISH in Design Technology

Term		Rec	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1								
Autumn 2	Joining paper using glue sticks	Structures Junk Modelling -joining techniques - Safe Scissor use	Structures Free Standing A chair for one of the characters in Goldilocks	Mechanisms To create a golf cart for use at the Open golf competition	Structures (shell) Making a trinket box for a Christmas gift.	Electricity Making Torches	Food celebrating culture/seasonality - Soup	Electricity More complex switches in order to make a fairground ride
Spring 1								
Spring 2	Structures Joining boxes using masking tape and PVA glue.	Food Exploring fruits and vegetables Prepare snacks - Observing and helping with baking	Food Preparing fruit and vegetables Fruit Salad/kebabs	Food Preparing fruit and vegetables Vegan dips and Dippers	Food Healthy and Varied - Making Savoury scones	Textiles Make a Face Mask for hospitals or Care Homes	Structures (frame) Bridges - Making a bridge for people and traffic in Southport	
Summer 1								
Summer 2	Structures Using sticks, straws, blocks to make 3D shapes.	Textiles Weaving	Mechanisms Create a moving scene from a favourite book using sliders and levers	Textiles Hand Puppets to make a seaside resort 'show'	Mechanisms Create a Moving Monster to link with literacy and reading unit of looking at books associated with ancient Egypt	Food Healthy and Varied - Types of bread	Mechanisms Make a Fairground Ride	Textiles Leavers project - Fashion Show - Make an outfit from recycled materials.
