

Year 2 - Art and Design

Together we flourish and grow.

How can we transform an object and turn it into sculpture, using our imagination? (3D Form)

Key Knowledge

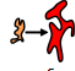

Chris Kenny
'Twelve Twigs'

I need to know:

- Chris Kenny works with materials that he has found.
- When we make sculpture by adding materials it is called *Construction*.
- I can manipulate materials by twisting, tearing, folding and bending.
- That artists use their creativity to look at the world in new ways, and use their hands to transform materials into new things.

Key Vocabulary

fasten		Close or do up securely	object		A person or thing
construct		To build	experiment		Test an idea
transform		To change the form, look or shape	manipulate		To move or control something
