

Year 5 - History

Together we flourish and grow.

The Victorians

I need to know -

- that there were many significant events during the Victorian Era including: key inventions, beginning of the Crimean War, introduction of compulsory education for children and Queen Victoria becoming the monarch.
- that Queen Victoria reigned for over 60 years and during her reign, Britain became the most powerful country in the world.
- that there are many famous Victorians including: Alexander Graham Bell who invented the telephone.
- that Florence Nightingale who helped soldiers during the Crimean War and Charles Darwin who investigated how animals and species change over time.
- that the industrial revolution was a period of huge change in Britain between 1750 and 1900.
- that the development of trains and canals allowed Southport to become a popular tourist destination and seaside resort.
