

Nursery's Weekly Blog

WC 18th November 2024

Wow! I see children learning lots! This week in nursery we carried on with our text 'Wow! Said the Owl'. We practiced saying the sentence 'Wow, I can see a ...' to explain the things we see. We then got busy making beautiful rainbows, just like in the story.

In maths we were working on showing "finger numbers" up to 3. To help us with this we have been working on our fine motor skills. We found that our craft feathers and pompoms were trapped under some tape, we had to use tweezers to collect them.

We also just had to go outside and explore the ice and snow! We used some lovely vocabulary to describe how it felt. We even managed to catch some hailstones.

"The Ice is crunchy!" Enes
"The sun and rain make a rainbow" Zeke
