

Nursery's Weekly Blog

WC 20th January 2025

We are now well into the swing of Spring term and have had a lovely exciting week of activities.

In our PSHE Jigsaw lessons we have been thinking about Dreams and Goals. We practiced a "Hot" challenge, this means something tricky like standing on one leg for 30 seconds. We then thought about how we could make it easier, like holding on to something for balance.

We have been exploring percussion instruments, practicing different voices such as whispering, loud and singing and tapping out rhythms.

In our maths lessons this week we have been Super Subitisers. This means we can spot 1, 2 and 3 objects/dots without counting them. We played a fun game of 1 dot find a spot, when Mrs Murphy rolled a 1 on the dice we had to jump on a spot.

"It's too hard, I'm holding the table" – Isabella
"I can hold my leg to help me" – Raegan
