

# Nursery's Blog

WC 3<sup>rd</sup> February 2025

This week we have been reading "The Bear Snores On" during our carpet times. This is a story about a bear who is hibernating whilst his animal friends have lots of fun in his den. In our garden we made our very own den and acted out the roles of the different animals. We have been thinking of different actions that can be used as we retell the story.

We have been lucky to have some nice dry days and have been exploring our large loose parts in the garden. The children have worked together to create obstacle courses, boats, cars and more as they let their imaginations run wild. Nursery staff play alongside the children to support the children's creativity and ideas. We ask open ended questions such as "how can we make it stronger?" to promote problem solving, critical thinking and vocabulary.

"We can divvy up my jammy dodgers" – Tommy using new vocabulary from our story.  
"I'm gluing the bricks together" – Theo using tools to act out the role of a brick layer using our construction bricks.
