

# Nursery's Blog

WC 3<sup>rd</sup> March 2025

We are back for Spring 2 and have had a lovely, fun filled two weeks so far!

We have been able to spot signs of Spring as we have flowers growing in our garden! The sunny weather means lots of mud and water play in the garden. We love to dig, build, pour and explore. Early maths skills are found in these activities as we talk about quantity, weight and measure.

Playing outside is an essential part of children's learning and development. We love to get wet, muddy and messy. Giving children these experiences helps them to understand the world around them.

We have had a jam packed week this week with Pancake Day and World Book Day. It has been so much fun! We have made muddy pancakes and tried pancakes with different toppings. For World Book Day we had stations set up inside and out for different stories. We had a tiger who came for tea in our home corner, a zoo like in Polar Bear, Polar Bear and an Elmer style colour sort.
